• A 6% increase has been applied plus an additional £1,250 in line with the April 2024 Department of Health Pay Circular.

• This salary scale applies to Northern Ireland only. Pay scales for Scotland, Wales and England are issued separately.

• This salary scale applies to clinical lecturers only. Application to other clinical staff is a matter for local determination.

§ These points are HE specific pay scales that have no HSC equivalent

\* This point relates only to dentists paid on clinical academic scales.
