Borrowing a Laptop

ROISIN

If you have your own laptop or mobile device, you can use the wifi

DANIEL

just about anywhere on campus.

You'll find the instructions on the website.

ROISIN

If you don't have your own laptop, you can borrow one from the Library. It has the same facilities as the computers and you can use it anywhere within the Library.

DANIEL

The laptop will work best if you plug it in. Just make sure you use the sockets provided and don't unplug any other equipment.

ROISIN

And remember to shut it down properly before returning it, using the arrows on top to direct you.

DANIEL

There are computer assistants who can help if you have any problems – just ask at the Computer Helpdesk in the Atrium. And don't forget to check out the website.
