

JUNE

TOPICS AND THEMES

Dear Parents,

We've got lots to do this month! We're going to be getting ready for the holidays and learning how we can travel and take care of ourselves in the sun.

We're keeping our fingers crossed for a good National Picnic Day (bad weather won't stop us, though—we'll picnic indoors!).

We hope you can join in, too!

Thank you,
The Childcare Staff Team
