**Student Declaration:**

I give permission for my thesis to be made available, under regulations determined by the University, for inclusion in the University Library, consultation by readers in the School, inter-library lending for use in another library and to be photocopied, electronically reproduced and to be stored and made available publicly in electronic format

**Deposit in Queen's University Research Repository:**

I understand that:

- Open access work deposited in Queen's University Research Repository will be accessible to a wide variety of people and institutions - including automated agents - via the World Wide Web. An electronic copy of my thesis may also be included in the British Library Electronic Theses On-line System (EThOS).
- That I am the author of the Work and have the authority to make this agreement and to hereby give Queen's University Research Repository administrators the right to make available the Work in the way described above.
- That I have exercised reasonable care to ensure that the Work is original and does not to the best of my knowledge, break any UK law or infringe any third party's copyright or other Intellectual Property Right. I have read the University's guidance on third-party copyright material in theses.
- The administrators of Queen's University Research Repository do not hold any obligation to take legal action on behalf of the Depositor, or other rights holders, in the event of a breach of Intellectual Property Rights or any other right, in the material deposited.

I wish for my thesis to be available on the Queen's University Research repository:

*Please tick as appropriate:*

- i) Immediately
- OR
- ii) After an embargo period of 1 year  2 years  3 years  4 years  5 years

**Reason for embargo:**

- The thesis is due for publication, either as a series of articles or as a monograph
- The thesis includes material that was obtained under a promise of confidentiality
- Would substantially prejudice the commercial interests of the author, the University or an external company
- Contains information which may endanger the physical/mental health or personal safety of an individual(s)

**I wish to embargo the e-thesis copy permanently:**

- The thesis contains material whose copyright belongs to a third party and the gaining of approval to publish the material electronically would be onerous or expensive; and the removal of the copyright material would compromise the thesis
- 

**CONFIRMATION OF DATA/HUMAN TISSUE SAMPLES HANDOVER**

All research involving human participants, their tissue (e.g. blood, saliva, urine) or their data (interviews, consent forms, questionnaires) must be retained by the University for at least five years. These sources must be handed over to your supervisor. Please confirm, by ticking the appropriate box, that:

- I have provided my supervisor with all laboratory notebooks and/or primary source material pertaining to the study, including electronic data.
- I have identified for my supervisor the location of stored human tissue samples and provided an inventory of these.
- Due to the nature of the project, I am not required to hand over any data or samples relating to my thesis.
