

We're excited to bring you this newsletter every 1-2 months, sharing the latest updates on support and opportunities tailored for our Care Experienced Community at Queen's.

NEW FACES ON CAMPUS

I'm Rhiannon, your named contact for Queens.

Before this role, I worked as a Social Worker with the Belfast Trust in a Looked After Children's team for four years. It was an amazing experience that fuelled my passion for working alongside those with experience of care.

I'm Jacqui, your named contact for Queens.

I've been a youth worker for over 15 years, and love working alongside young people and students. Having grown up with care experience myself, I understand the unique challenges you might encounter in Queens.
