

2025

INTERNATIONAL SCIENCE AND TECHNOLOGY INNOVATION CAMP

About BUCT

Founded in 1958, Beijing University of Chemical Technology (BUCT) is a national key university affiliated to Ministry of Education of China, a member university of China's "211 Project", "985 Project Innovation Platforms" and "Double First-Class University Project". BUCT shoulders the mission of innovative talent training, scientific research, and high-tech development. After 66 years of continuous efforts, BUCT has developed into a multi-disciplinary institute with a solid foundation in science and engineering, along with other distinctive disciplines including business, economics, law, literature, philosophy, education and medical science. It has formed a complete talent development system from the undergraduate to doctoral training.

Schedule

From July 6, 2025 to July 19, 2025

Credits: 2 points

Date	Schedule
Day 1	Airport pickup to the BUCT Changping Campus International Student Apartment, Registration/ Check in
Day 2	Opening Ceremony/ Orientation Visit BUCT Changping Campus
Day 3	Visit Chaoyang Campus, Science and Technology Lecture(Chemistry) Cultural Lecture(Chinese calligraphy)
Day 4	Group work in labs
Day 5	Visit to biotech companies
Day 6	Chinese cultural experience(Ancient Chinese architecture)
Day 7	Chinese cultural experience(Ancient Chinese architecture)
Day 8	Science and Technology Lecture(Materials Science) Cultural Lecture(Ancient Chinese history)
Day 9	Science and Technology Lecture(Chemical Engineering) Cultural Lecture(Chinese painting)
Day 10	Research Lecture(AI) Culture Lecture (Ancient Chinese culture)
Day 11	Go out to visit corporate companies
Day 12	Research Lecture(Chemistry) Culture Lecture(Chinese handicraft)
Day 13	Chinese cultural experience(Chinese Kung fu)
Day 14	Closing Ceremony, Check out

Please Note: The activities are subject to change.

Tuition fee: Free (Science Lectures + Chinese Cultural Experience+ lab work +Beijing Tour +Calligraphy +Sightseeing Tickets + Insurance + Welcome lunch)

Accommodation: free

International Round-way Flights Ticket: pay by yourself.

Meal: pay by yourself. (Food is available in university dining halls, about 2 US Dollars per meal)

We offer pick-up from July 5 to July 6, 2025 and drop-off on July 19, 2025 (Applicants need to send the tickets' information to summercamp@buct.edu.cn before July 1st, 2025)

Registration: go to <https://study.buct.edu.cn> Register and click 'Apply' enter '2025 Summer School' in the major title search box and select the program.

Highlights

Academic lectures

Inviting science experts and scholars to give lectures that share the latest technological developments and trends, inspiring participants' thinking and innovative abilities.

Company & lab visits

Arrange visits to famous technology companies to learn about the latest research and production situations in technology, gain practical perspectives, and increase industry awareness.

Lab work

Providing a platform for international educational exchange in science and technology, where students can connect with outstanding domestic science and technology talents and share the latest research results and technological achievements.

Chinese cultural tours

Arrange activities for cultural exchange to help participants understand Chinese culture and traditions and broaden their perspectives and communication skills.

Chinese language and cultural courses

Help students gain a deeper understanding of Chinese culture, enhance their language communication skills, broaden their international perspective, strengthen their cross-cultural communication abilities, and provide more opportunities for future career development.

Visa

go <https://study.buct.edu.cn> After applying for the program, it is necessary to fill in personal information and upload materials according to the guidance.

The uploaded materials include the photocopy of (mandatory upload items):

1. Passport size photo
2. Passport (personal page)
3. Certificate of enrollment
4. Certificate of No Criminal Record

After submitting the relevant materials, the staff of BUCT will issue a summer camp invitation letter and the necessary forms for visa application (approximately 20 working days after submitting the application)

Contact

E-mail: summercamp@buct.edu.cn

School of International Education, Beijing University of Chemical Technology

◎ Address: Chaoyang Campus: Fifth Floor of Library, No. 15 Bei San Huan East road, Beijing, 100029, P. R. China
Changping Campus: No. 29, Nanjian Road, Nankou Town, Changping District, 102200, P. R. China
