

Celebrating the co-design of an exercise pathway for adults with neurological conditions which cause physical disability

Join us in Ulster University's Belfast campus on Wednesday the 2nd of October at 6:30pm to present a pathway created by stakeholders involved in both the delivery and use of this pathway.

- Anyone can attend either in person or online
- Event will last one hour
- Meet people interested in this work
- Opportunity to provide feedback to us.

If you wish to attend, please complete our form by following this link:
